SURGERY :- RHINOPLASTY

CONSULTING :- MANISH PATEL  
DOCTOR

I was suffering from breathing shortage, due to my blockage of one nostril, I had a septum deviation, which often led to grasping my breath, shortage of breath, dryness of mouth. I got in touch with I found about Rhinoplasty online and came to know about Wockhardt hospital offering the medical help in their aesthetic department, I mailed pictures of my nose in different angles.

After couple of days they got in touch with me. Dr. Manish Patel came to Mumbai, where I met him for consultation. He explained me my status of my nose and the complications involved if I don't go <sup>for</sup> surgery, because it is taking toll on my health as well.

Finally the date for surgery was fixed on 19<sup>th</sup> Jan at Wockhardt hospital Goa. We arrived on 18<sup>th</sup> morning ~~received~~ received a warm welcome from the hospital staff. They made sure we have a comfortable stay, by looking after all the necessary things required.

The nurses were pleasant and courteous and was on their toes for help. I had a memorable experience in Wockhardt Goa. Will sure recommend to people who really care for good health medical care.

Wish you'll to maintain and strive hard for good health care.  
Keep on the Good work.

Thanking You!!
